VOLUME XXI—NO 304 CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, WEDNESDAY, JUNE 1, 1921 TWO CENTS

PUPILS OF WHITE PIGEON SCHOOL TO HOLD REUNION

Event to Take Place Saturday Next and Promises to be Memorable

EXCELLENT PROGRAM ARRANGED

The fifth annual reunion of the White Pigeon school will be held Saturday, June 4, at the school building. Elaborate preparation have been made for the day and it is expected that this reunion will be the best yet held. A very interesting program of sports has been arranged, a part of which will be carried out at 11 a. m. This is a new feature of the program and is expected to add interest to the occasion. A number of valuable prizes donated by merchants from the surrounding towns will be awarded the winners in the various contests. At 12 o'clock a basket dinner will be served. At 2 p. m. the following program will be carried out:

Song—America.
Invocation—Rev. R. P. Graham.
Music—Orchestra
Reading—Mrs. James Rankin.
Violin solo—John Hopkins.
Address—Rev. Teysier.
Music—Orchestra.
Reading—Ruth Sphar.
Solo—Mrs. L. E. Sands.
Short talks—Former teachers and pupils.
Music—Orchestra.

Following this the remaining part of the athletic program will be carried out.

The committee in charge has extended a very cordial invitation to all former teachers, pupils and friends of the school to attend and make the occasion a deserved success.

ACCEPT REDUCTION AT ALICE MINE

After an idleness of one week because of a reduction in wages, the men at the Alice mine of the H. C. Frick Coke company, opposite Roscoe, returned to work last week. The terms of the company were accepted by the men. The work now being done at this mine is mostly construction, and the matter was beyond the jurisdiction of the Mine Workers' organization, although efforts were made by officials to adjust them. About two hundred men were affected by the idleness, but they have all resumed their former positions.

FIRST CHRISTIAN CHURCH TO HOLD LOWN FETE

The ladies of the First Christian church will hold a lawn fete at Overbrook Farm, the country home of Theodore Allen Thursday evening, June 2nd. Come and bring your friends. Take Charleroi Bentleyville car. 303-t3-*

OLD POTATOES ARE SELLING FOR LOW PRICE

Potatoes reached the lowest price of the season in the last week when old stock sold in carload lots at Chicago for 50 cents per hundred or 30 cents a bushel, according to reports made to the Bureau of Markets in Washington on Saturday last. A year ago the price was $7.50. In most large eastern wholesale markets the price range on Saturday was from 75 cents to $1. Showing the effect of heavy production in local markets, it is reported that strawberries were selling in Fayette City on Saturday evening last for 20 cents a quart basket.

MURDER MYSTERY MAY BE CLEARED UP

The mystery surrounding the finding of the dead body of Russell Jack Fields, on the farm of Joseph Symonds on the morning of April 22 has been partially cleared up by the arrest of Andrew Miller by State Police. Miller was arrested on suspicion and after a hearing before Justice of the Peace White of Monessen last week, was taken to Greensburg. According to his story Fields was shot during an attempted holdup by the intended victim.

In company with Miller and "Ducky" Evans of Monessen and "Dago" Frank of Belle Vernon, the quartette met at a store on Oneida street in Monessen and planned to visit Fayette City and other towns to commit burglaries. According to Miller's story the four had walked to a point near the Symond's farm, along the Pricedale road when Fields suggested that they hold up an autoist who was approaching.

Drawing a revolver he stepped into the middle of the road and commanded the driver to stop, but instead the driver drew a revolver and fired, with Fields returning the shots. During the fusilade Fields was mortally wounded with a bullet through the heart. The other men, fearing arrest, dragged the dead body of their companion to the field and fled.

The following morning, before the deed was discovered, the three men fled from the city, and in spite of a careful search no trace was found of them. A few days ago, however, Miller returned home and was immediately arrested by the police. The officers are still on the lookout for his two companions.

BODY OF ROSCOE SOLDIER COMING HOME

Word has been received by Mr. and Mrs. David Forsythe of Roscoe, from the War Department, that the body of their son, David, who died in France, will arrive home the first week in June.

Mrs. R. Young of Floreffe spent the week end with Mrs. Wesley Peters and Mrs. John Deitz.

Welfare Council Holds An Important Meeting

The Welfare Committe, W. D. Pollock, Chairman, W. M. Darby, J. D. Berryman, Mrs. A. O. Davis and Mrs. T. M. Faddis, met on Tuesday evening with representatives of the Charleroi-Monessen Hospital. The Board of Health, the Associated Charities, the Red Cross and the Welfare Department of the Metropolitan Life Insurance Co. Fifteen persons were present in all.

A very lively discussion took place in regard to the possibilities of federation and the things that might be accomplished as well as some of the rocks that might be encountered by such federation.

Steps were taken to perfect the plan of organization. Each organization mentioned above and other kindred organizations will each be represented in the Welfare Council by one delegate, who in most cases will be the president. This delegate will be chosen by the organization which he or she represents, in whatever manner that organizaton may decide upon, and the person chosen will be a delegate upon the presentation of the proper credentials.

The Welfare Committee consisting of five members is one of the fourteen committees of the Chamber of Commerce. All welfare work of the Chamber will be handled through this committee and when this committee sits in session with the group of delegates representing the welfare organizations of the Community, the combined group will be known as the Welfare Council.

This Welfare Council will be a clearing house for all welfare work and for the interchange of ideas. Also by making a survey of the community, duplication of effort will be eliminated and other untouched areas can be cultivated.

Miss Montana spoke of the needs of the hospital and especially of a better road to reach the institution and of the great need of an X-ray machine.

Mrs. Dawson spoke of the need of a Library and Dr. Hunter promised any assistance that he could give in behalf of such a movement. It was the unanimous decision of those present that a concerted effort ought to be made to secure a library and especially in view of the fact that there are quite a number of books that still remain from the old library and also that there ought to be an available room in the City Building.

SPECIAL SERMON TO P. O. S. OF A.

The Patriotic Order Sons of America attended the Methodist Episcopal church services in a body on Sabbath evening, occupying the seats reserved for them in the middle tier. This organization visited five cemeteries in connection with the observance of Memorial Day.

The pastor, in his sermon, noted the patriotic principles for which the Order stands, and cited the achievements of the organization in the cause of history. Then he suggested as a pertinent inquiry to be made by the Order, What must be done to uphold these principles and continue this honorable history?

The following essentials were offered as an answer:—1, Right relation to Jesus Christ; 2 Right attitude toward His church: 3. Actuating time a part of eternity; 5, Estimating the worth of a man by the standard of God.

The order carried a flag as is their custom, and the space within the chancel was decorated with flags and flowers.

RICHARDSON INQUEST HELD THIS AFTERNOON

An inquest was held this afternoon at 2 o'clock at Bentleyville, to inquire into the mysterious murder of J. E. Richardson, a prominent citizen of that town, who was killed in his home on April 30. The inquest was under the direct supervision of Coroner William Greenlee.

The Order of Skulls of Monongahela, a social organization, has issued invitations for a dance to be held at Eldora park, Thursday evening, June 2. Quite a number of invitations have been sent to young people of Charleroi.

LOCAL FIRE COMPANY MAKES TEST RUNS

The local fire company made a couple of test runs last evening, with very satisfactory results to the members. The first test took place at 7 o'clock and a run was made to the Fifth street school building. Three minutes after the signal on the borough building had ceased sounding the truck had made the distance to the supposed fire and had two streams of water on the building; in five minutes the company had four lines of hose playing on the structure. The second test was a run to Eleventh street and Lincoln avenue, and two and one-half minutes the company had two streams in play.

SUSPECT HELD FOR KILLING COMPANION

Testimony by County Detective John Weiner to the effect that the prisoner had confessed to him that he fired the shot which caused the death at Fredericktown on May 8 of Ben Saltiaziak, resulted in Joe Dubiel being held on a charge of murder at an inquest into the killing conducted at Fredericktown Tuesday afternoon by Coroner William Greenlee. Saltiaziak and Dubiel are declared by officers to have been members of a band of robbers which operated extensively in the up-river section of the valley. They are said to have quarreled while going to a car on a siding near Fredericktown in which they had placed some of their loot. Two others in connection with robberies are being held.

Mrs. Leonard Mormino and daughters Mary and Anna left Monday for Brooklyn, New York where they expect to make their future home.

SUGGEST IMPROVEMENT FOR IMPORTANT CONNECTING ROAD

Short Stretch of Highway in Carroll Twp in Need of Immediate Repairs

IN BAD CONDITION AT PRESENT

Agitation for the improvement of a piece of highway in Carroll township, said to be the worst piece of road in the eastern end of the county is now under way, and those responsible for bringing this matter to public attention hope for some lasting results.

The road in question leads from what is known as the VanVoorhis bridge near the Monongahela city line, and extending through Carroll township, by way of the Frye bridge across Pigeon creek to Roth's brewery on Taylor's run.

This stretch of highway was improved with a brick street by Carroll township a number of years ago, but the road was badly damaged a few years later by a big traction engine which was used in hauling material for the improvement of the first stretch of the road leading up Taylor's run, which work was done by the county. Deep ruts were cut into the bricks by this traction engine, which was equipped with cleats and this damage has never been repaired. On the contrary, the road has been getting worse and worse, until the present time, when it enjoys the distinction of being the worst stretch of improved road in Washington county.

An opinion is expressed that possibly the county commissioners would assist in the rebuilding of this piece of highway, the township and county dividing the expense. A concrete road is suggested as being most advisable, for this road is the connecting link for an immense amount of traffic between the upper and lower ends of the valley, as well as between the river and the county seat and points beyond.

Charleroi automobile drivers use this road a great deal in going to and from Pittsburg, and any and all efforts looking toward its improvement will find warm support on their part. With the improvement of the stretch of road between Finleyville and Library and the repair of some sections of the Mingo boulevard in connection with this proposed improvement will give a highway to Pittsburg that will be a delight to travel over.

SOLDIERS APPRECIATE DONATIONS BY COUNTY

A great many of the G. A. R. Posts and other military organizations that received from the county commissioners donations toward the conduct of their Memorial Day observances are acknowledging receipt of same and expressing their appreciation of the aid given them. The county commissioners sent warrants to all the G. A. R. Posts, Spanish-American War Veterans and Posts of the American Legion in the county which added materially in defraying the expense of the observance of Memorial Day.

S. S. CONVENTION MEETS AT M'DONALD

The Washington County Sunday School Association will convene at McDonald, Thursday and Friday, June 16 and 17. The program for the convention is practically completed and includes speakers of national reputation.

This is the first convention that has been held in McDonald in 15 years and the interest of the people of that town is becoming manifest in the co-operation which has been shown in committee assignments and the general organization.

A feature of the convention will be a parade on Friday of the adult and intermediate classes. Word has been received that a large delegation will be on hand representing the adult classes from different schools. It is anticipated that a large delegation will go from the Monongahela valley towns, with a particularly large delegation from Charleroi which will make the trip in autos. The detailed program of the convention will be announced soon.

ATTEND FUNERAL OF FIFTEENTH VETERAN

A number of members of the Fifteenth Engineers, located in Charleroi, were in Pittsburg on Monday and attended the funeral of Private James H. Young, the first of the Fifteenth Engineers to be returned from the soil of France to his native home. The services were held in the Homewood Presbyterian church, and were attended not only by the Fifteenth Engineers, but a number of Posts of the American Legion and the 107th Light Artillery of Pittsburg. The interment was made in Homewood cemetery.

MANY VOTERS WILL NOT GIVE POLITICS

The register assessor of Belle Vernon reports that he is almost through registering voters for the fall election and will have close to 1,000 enrolled. Last week he had 516 men and 411 women, but many would not give their politics so they cannot vote at the primaries but can cast their ballot at the general election, providing they have paid their taxes.

GOVERNMENT FORCE ON REPAIR CAMPAIGN

The government sent a force of carpenters, painters and laborers as well as two quarterboats, to Locq No. 6, on Thursday, where a campaign of repair work will begin. This force will work its way up the river to Lock No. 15, repairing and repainting all government buildings at the various locks whihh will require practically the entire summer to finish.

RUSSIAN DESOLATION.

Our parlor bolshevists persist in idealizing conditions in Russia and in claiming that those conditions are misrepresented by the "capitalistic press." But what are they going to do about Maxim Gorky's appeal to "the whole world" for aid for the representatives of science, art and letters in Russia? For Gorky is not a tool of the capitalistic but a socialistic radical. Yet he says that 5,000 Russian savants and writers have not enough to eat, are trying in vain to use their brains effectively while sitting in rooms without heat or light, and in order to keep body and soul together are disposing of necessary garments piecemeal when they have anything left over from the confiscations of searching parties.

Life in Russia is described as a grim and ceaseless struggle to get food and fuel. Such books as are published and such plays as are produced in a country afflicted with industrial stagnation and high costs must preach Bolshevism. Even science is censored, astronomers being rebuked if they do not declare God to be a myth. Apparently the Bolshevik government is a despotism from which nothing can escape and compared with which the despotism of the Czar was at kindly as it was old-fashioned. Under the latter there were at least food and fuel and freedom to go to church for those who so wished. Bolshevism seems to have turned against established order an dold beliefs even more violently than did the French revolutionists, and to have substituted nothing better than moral and commercial ruin.

BIG BUSINESS AND LITTLE.

Evidently Mr. Harding thinks that what the country needs for the present is less trust-busting and more effort to stabilize business in general. Such an attitude may be called reactionary in some quarters, but there was a convincing ring to the President's words when, in a speech in New York the other night. he said: "The Government's part in business should be no more than to insure adherence to the principles of common honesty and to establish regulations that will enable it to sail a safe course. There has been some tendency to regard business as dishonest until it could prove its honesty. and to regard bigness in business as a crime. But almost all business today is conducted on ascale which would have made our forefathers gasp; and I prefer to assume it is honest until proved dishonest. If they had attempted to limit business of size and scope they would have prevented even the little business. So I speak for the least possible measure of Government interference in business, but for the conducted business and the most effective measures to insure that, whether it be big or little, business be honest and fair."

His idea seems to be that it is perfectly proper for business to be "big" if it is also straight, and that injudicious interference with big business may hurt little business. Most readers will agree that in this particular the Government's proper attitude is well stated.

The program of the present national administration is more business in government and less government in business. It is entirely in harmony with that policy that the National Committee contemplates the election of its present vice chairman, John T. Adams, to the chairmanship. Mr. Adams is a successful business man and can be depended upon to run the National Committee on a business basis.

STATE POLICE RAID RED LIGHT DISTRICT

Thirty members of Troop A, State Police, under command of Capt. Smith, made a raid on the red light districts of Webster, Wireton and Monessen, Saturday night last. They were all in plain clothes and a concerted raid was carried out. Every house of a questionable character was visited and when noses were counted 87 men and 21 women had been arrested.

All of the prisoners were taken to the Donora lockup and confined. A blood test of all the men was taken, several of whom it was found were suffering from loathsome diseases. Each posted a forfeit of $10 for his appearance before a Greensburg justice of the peace, which is scheduled to be held this week. The women were all taken to Greensburg, where they will be held under quarantine for the next fifteen days.

Numerous complaints had been made concerning these houses of ill repute and as it was said local officers would not act. the state police were called in and made a general raid.

McKINLEY GOES TO CHARLESTON, W. VA.

T. C. McKinley, who resigned his position as superintendent of the Belle Vernon plant of the American Window Glass company, left on Thursday last for a visit with his mother in Allentown, after which he goes to Charlestown, W. Va., where he will be located with the Libby-Owens Glass company. Mr. McKinley was an active and leading citizen of Belle Vernon and his departure is looked upon with regret, although his friends rejoice in the advancement which has come to him in his chosen line of work.

IMMIGRATION LIMITS UNDER NEW LAW

The number of immigrants who will be allowed to enter this country under the new 3 per cent law during the month of June was announced as follows: United Kingdom, 5,923; Norway. 930; Sweden, 1,531; Denmark, 433; Netherlands, 276; Belgium, 119; Luxembourg, France, 437; Switzerland, 287; Germany, 5,219; Danzig. 22; Finland 293; Africa 3. The law becomes operative on the 3rd of June.

HOSPITAL APPROPRIATION SAME AS LAST YEAR

The appropriation bill signed by Governor William C. Sproul for hospital. homes and sanitoria. carries an appropriation for the Charleroi-Monessen hospital of $4,800. The Monongahela Memorial Hospital will receive $12,900.

MONUMENTS— Remember the dead. W. S. Cook & Co., with Lawrence Frye Funeral Director.

The Classified column is full of opportunities. Read it.

BRIDGE IS FAVORED FOR MASONTOWN

First actual steps toward the crystallization of public sentiment in favor of the erection of an inter-county bridge spanning the Monongahela river between Fayette and Greene counties at West Masontown was taken on Saturday last. in a largely attended mass meeting at Masontown. The affair was under the auspices of the Masontown Business Men's Association and developed unanimity of purpose and a sentiment among officials of the two counties in favor of the project.

Commissioners of both counties are believed strongly in favor of the new project and are more than pleased that the bridge should be located at Masontown. The Greene county commissioners were outspoken in favor of the project, while Messrs. Hobbs and Rush. Fayette county commissioners, declared that public sentiment sufficiently aroused to assure them that the people of Fayette county are in favor of the project would result in their approval. In order to insure the success of the undertaking it would be necessary for the two counties to issue bonds to cover the cost.

MANY ARRESTS MADE BY THE STATE POLICE

State police were at work on the Donora-Monongahela highway on Friday evening, and fully one hundred autoists were stopped and compelled to show their license cards. While about forty were notified to appear before a justice of the peace in Carroll township for violation of the automobile laws. A majority of those arrested failed to have tail lights working. others did not have dimmers on headlights and quite a number were unexpectedly picked up for speeding. Two officers worked along the curve near Americo park, just below Donora.

Notice to Coal Dealers.

Sealed proposals for delivering from 20,000 to 22,000 bushels of coal to the several school buildings of the Charleroi School District will be received by the Board of School Directors until 8 o'clock, new time, Tuesday evening. June 7. 1921. Coal to be of run of mine. Pittsburg seam. be free of crop or red coal and to be delivered during the summer vacation. The right is reserved to reject any or all bids. Address all bids in care of the Secretary.

When a Man Marries

At a recent national conference of savings bank officials it was said that married men save more than single men—and more savings accounts are opened in June than any other month.

So June, the month of brides—and sweet girl graduates, and eager boys with the light of the world's battles in their eyes—is also the month of savings accounts.

But why limit this advantage to married folks? Everyone needs a savings account and now is the best time to start one—and here is a good place—where good service and security of funds make our interest rate doubly attractive.

BEAUTY IS HARMONY

There can be no harmony, and therefore no beauty, in a home in which the wife and mother is cross and irritable and dull-spirited. Often as not, disease is at the bottom of such a condition.

Let the woman who is always tired and who suffers from low spirits and mysterious aches and pains only try Lydia E. Pinkham's Vegetable Compound. She will then see that the beauty and harmony will be restored to her home with the return of her health and good spirits.

BRACE OF GAMES TAKEN BY LOCALS

The Charleroi baseball team in the Press league annexed two more games one Saturday afternoon last, when it defeated Belle Vernon by a score of 7 to 6, and again on Monday afternoon when it won over the Monessen team by a score of 6 to 2.

In the game against Belle Vernon on Saturday Furnier and Consonary were at the points, Furnier pitching an effective game, holding his opponents down to eight hits. Both teams scored three runs each in the opening inning, but after that Charleroi drew ahead, and was never in danger. During the game Bill Phillips made two three-base hits. while Consonary poled one for a homer. Not to be outdone by his rival, Boyce the Belle Vernon catcher. duplicated the feat.

In the games against Monessen, Kifer took the mound for the locals, while Moore twirled for Monessen. The visitors were held to six hits and two runs, while the locals annexed six runs and made twelve hits. Burdock for the visitors made a home run, while Fillingham poled one for three bases for Charleroi. Kifer struck out thirteen men, while Moore whiffed but one.

NEW POSTMASTERS' ASSOCIATION FORMED

At the meeting of the postmasters of Western Pennsylvania, held in Monessen last Thursday, a new association, to be known as the War-Time Postmasters' Association was formed. Frank McFadden of McKeesport was made President, and A. L. Brautegan of Monessen, vice president. Many of the postmasters now holding office expect to be succeeded by appointees of President as soon as their terms expire.

SHRINERS ORGANIZE CARAVAN AT UNIONTOWN

A Caravan of Shriners, to be known as Fayette County Caravan, was organized in Uniontown last Friday evening. The Imperial Divan of the Illustrious Potentate, Addison C. Gumbert, was present on the occasion, which was a notable one in the history of Shrinedom in Fayette county. A banquet was served in the dining room of the Asbury M. E. church, at which four hundred Shriners were seated. After the banquet an organization was effected, and from now on it is expected that the organization will grow in strength and numbers.

An additional Caravan, to be known as the Monongahela Valley Caravan, will be instituted within a short time at Monongahela, to take in all Shriners in this section of the Monongahela Valley. This new organization is expected to enroll to one thousand members, all of them members of Syria Temple of Pittsburg.

"JUNE RISE" NO CAUSE FOR ACTIVITY

The "June Rise," which in former years was the time of great activity among the coal transportation companies of the Monongahela valley, now passes off without a ripple of excitement. In fact. it is looked upon more as a nuisance than a benefit by modern mariners, who are well satisfied with "pool" stages of water. In the "good old days," however, when coal was shipped to ports along the Ohio and Mississippi the activity among boatmen was a forerunner of a summer of continued activity at the mines in the valley. In recent years this condition has been greatly changed.

GOVERNOR SIGNS SOLDIERS' BONUS BILL

One of the last acts of Governor William C. Sproul, in cleaning up the legislation of 1921 session was to sign the Dunn soldiers' bonus bill, which was a compromise measure introduced late in the session following an agreement with sponsors of many other bonus measures and with officials of the American Legion.

The bill creates a soldiers' bonus commission and provides that every soldier who served in the military or naval forces during the World War and was a legal resident of the state of Pennsylvania at the time he enlisted, was commissioned or inducted, shall be entitled to a bonus of $10 a month for each month or service between April 6, 1917 and June 1, 1919, with a maximum aggregate of $200, a part of a month is to be considered a whole month. In case a soldier has died the bonus will be paid to his next of kin. The bonus depends on the approval by the voters of the Whittaker constitutional amendment calling for a bond issue of $25,000,000 to pay the bonus. The bonus will not be available for at least two years.

TO EQUIP STATE POLICE WITH MOTORCYCLES

On June 1 the New Salem, Fayette county, unit of the State Police will be augmented by two additional motorcycle troopers. All three members of the detachment are equipped with motorcycles, and with the additional two they will patrol the principal highways of that ection of Fayette county and apprehend violators of the automobile laws. They will also act in conjunction with the Uniontown unit which will not be equipped with motorcycles.

FAYETTE COUNTY JAIL IS FILLED

Conditions in the jail of Fayette county have gone back to the years of 1916-17 and if they continue as they have in the past few months there will be need of enlarging the prison. Monday evening there were almost 50 prisoners sleeping in the "bull pen of the bastile" cells being crowded to their capacity. The record on Tuesday morning showed 180 prisoners, or the greatest number since 1916-17. About 80 of these prisoners were committed on charg of vagrancy and train riding, while a large number are awaiting trial at the June term of court.

Non-employement is given as the reason for the incaceration of the vagrants who claim they were traveling from place to place looking for work. This floating element is very dangerous about the railroad yards because of the numerous robberies. The absence of liquor has caused a decrease in the number of assault and battery cases which generally result from drunken brawls. but the increase in larceny and robbery cases is very noticeable.

BELLE VERNON SCHOOLS CLOSE NEXT WEEK

The Belle Vernon High school will close on Monday. June 6. The exercises will be held at 8 o'clock the evening of the 6th in the First Methodist church. The address to the class will be delivered by Dr. Cloyd Goodnight, president of Bethany College. His subject will be "The By-product in Education."

From today I will not be responsible for any debts contracted by my wife in my name.

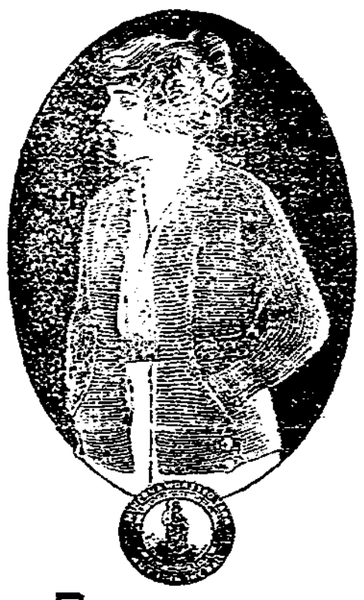
Beecham's Pills

Free Demonstration in Crocheting and Yarn Knitting



A demonstration, the like of which has never been presented in Charleroi, will be given in this store for two weeks.

To all of those who are interested in a demonstration of this kind, we extend a most cordial invitation to have you attend at your leisure convenience.

The demonstration will be given by Mrs. M. A. Girad, Minerva Yarn expert instructress, of the James Lee, Sons & Co., of Bridgeport, Pa., manufacturers of the famous and widely known line of Minerva Yarns.

Mrs. Girad, a lady with a most pleasing disposition is reputed to be one of the best yarn and crochet instructress in the country. If there is anything to be learned in this line, Mrs. Girad will be the person to teach these interested FREE OF CHARGE.

In conjunction with the demonstration, an exhibition of the newest Minerva Yarns and many new models of Knit Art Goods will be given. In order to accommodate the large number of interested art workers who are sure to take advatnage of this opportunity, the demonstration will be given in a portion of our spacious MAIN FLOOR.

4 Passenger Roadster	$2550	$3100	$550
Sedan	$3650	$4350	$700
Brougham	$3550	$4300	$750
Demi-Coupe	$2850	$3300	$450
Demi-Sedan	$3050	*****	*****
Chassis	$2225	$2625	$400

* New Type.

All Prices F. O. B. Syracuse

Back of this new standard of prices is a bit of history. Last September the Franklin cut its price drastically. A remarkable sales record followed. For months past Franklin business has required normal capacity production. Since December last, there has not been on hand at the factory at any one day more than three days' production of cars.

This favorable situation has effected economies which make possible the present revision, thereby creating a new opportunity for purchasers, and again emphasizing the proven advantages of Franklin performance—

20 miles to the gallon of gasoline
12,500 miles to the set of tires
50 per cent slower yearly depreciation
(National Averages)
